

Bible Verse with hand motions

“I am (point your thumb to your chest)

the resurrection (start with your arms above your head and slowly bring them down to your sides)

and the life.” (cross your hands over your heart and tap twice)

John 11:25 (put your hands in front of you like a book)

For my young friends I shortened the verse. In class we say the verse with hand motions and in a variety of ways:

LOUD

Quiet

Silly

Fast
