

Let your children wrap an empty box and add a pretty bow or ribbons to the gift. Give each child a card to decorate and write JESUS IS THE BEST GIFT, and attach to the gift. Have it in their room as a reminder.

Have a trash bag filled with used wrapping paper with a small "baby Jesus" hidden among the wrapping paper in the bag. Tell your child that their task is to try to FIND JESUS in the wrappings. Time them to see how long it takes to find Jesus. After they have found Jesus, remind the children that we must be careful that Jesus is not lost in all the wrappings of Christmas.
