

Fruit on the vine

Using purple paint, make fingerprint grapes in a triangle shape.
Use green paint or a marker or crayon to draw the vine and leaves.
Add the Bible verse.

“I am the vine; you are the branches. If you remain in me and I in you, you will bear much fruit.”

John 15:5

Have extra toilet paper rolls around? It makes grapes too.

Don't have any paint? Cut circles of colored paper or white paper and color them in.
