

Crafts

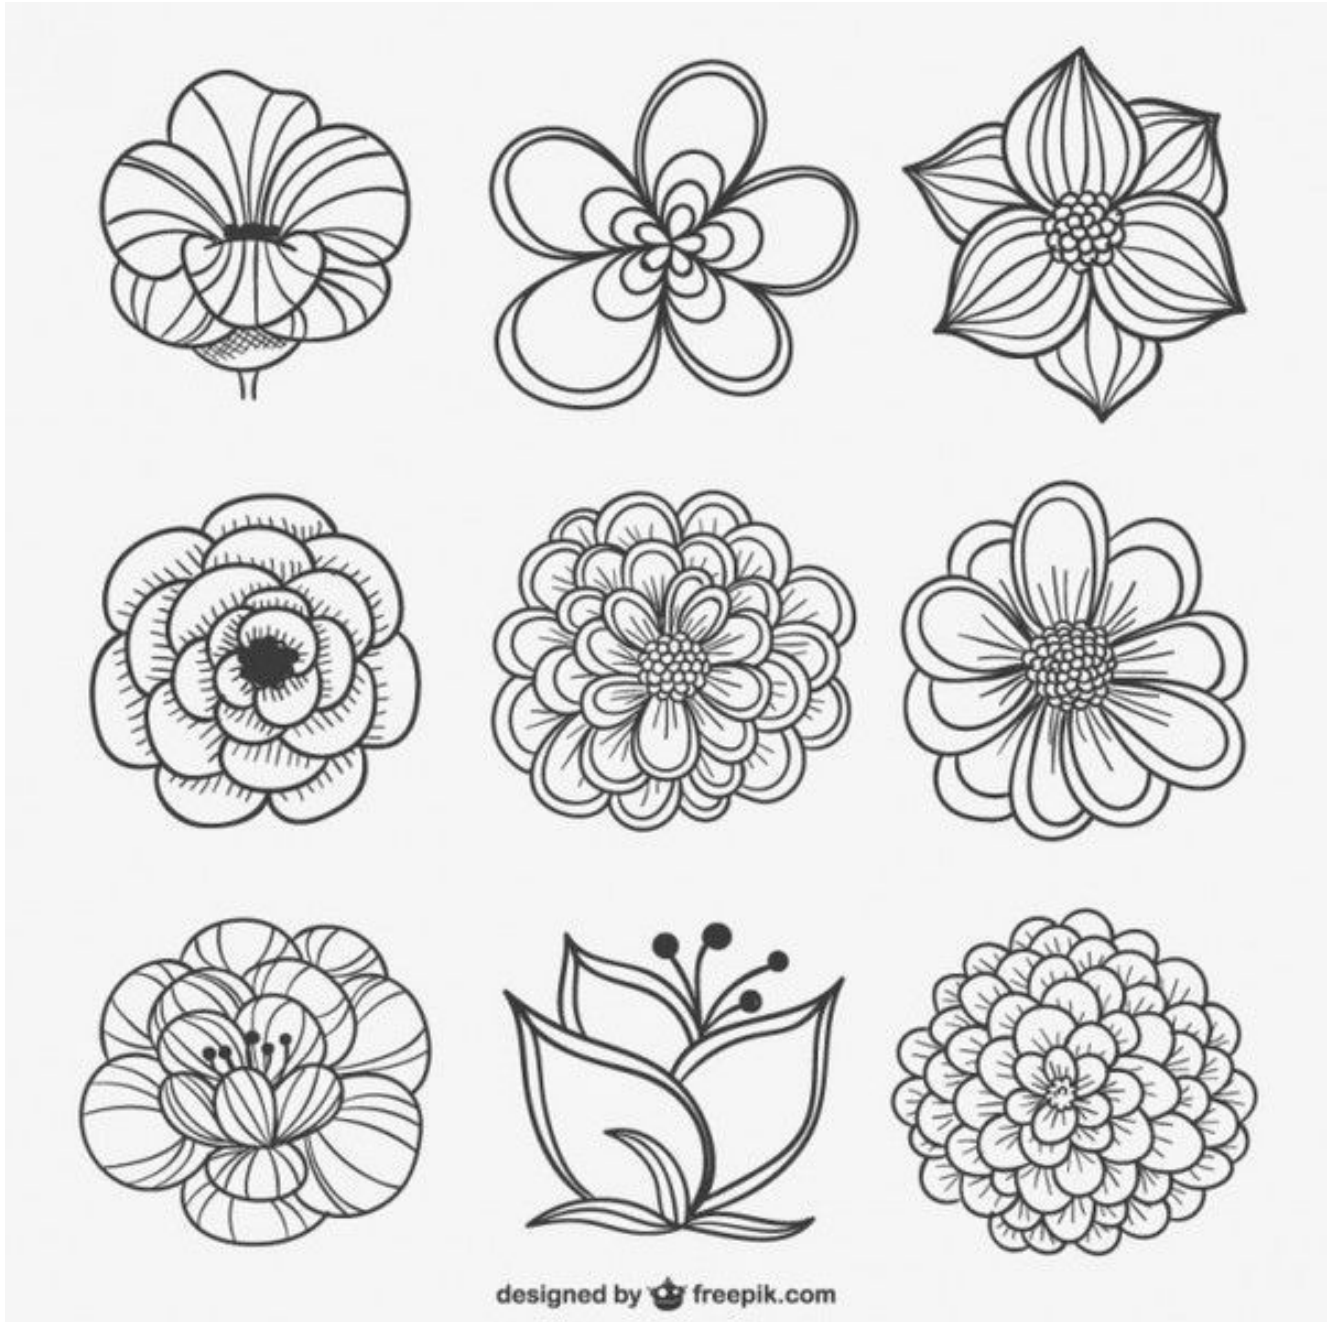

A fun thing to do with your children would be to plant something...

Either select some seeds or choose a plant to put in a pot on your porch. You can talk about what it needs to grow!

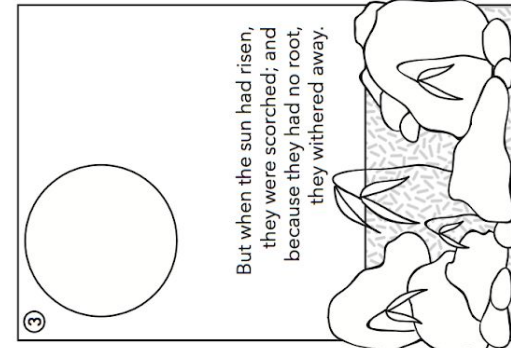

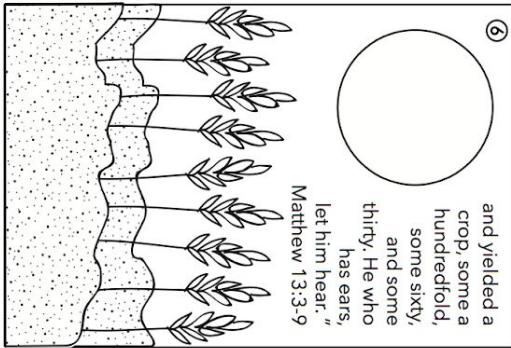

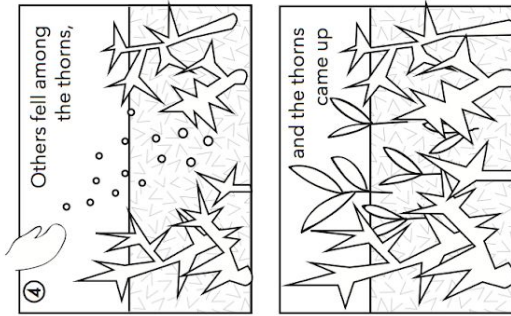

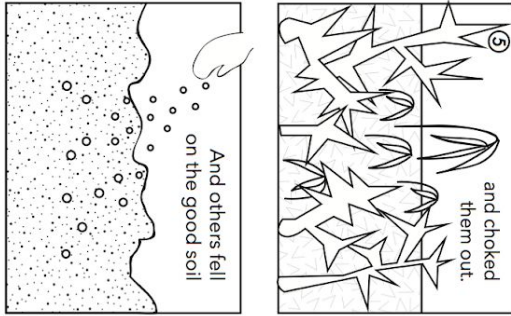

Color the flowers in on the sheet below. Cut out the flowers and attach to craft sticks. Use an egg carton (or any other box) and make slits in the box so that the sticks will slide in. You can paint the box if you prefer to look like a garden patch.

When the Lord Jesus was alive as a man on earth, He spoke many things in parables. A parable is an earthly story with a spiritual meaning. Jesus' parables are found in the Bible. You have now read His parable of the sower and the soils. To learn the meaning of this parable, please open this book and look on the other side of the page.
