

Treasure chest from the Parable of Hidden Treasure

Cut out and color the treasure chest below or draw your own. Then glue anything fun and sparkly you can find at home.

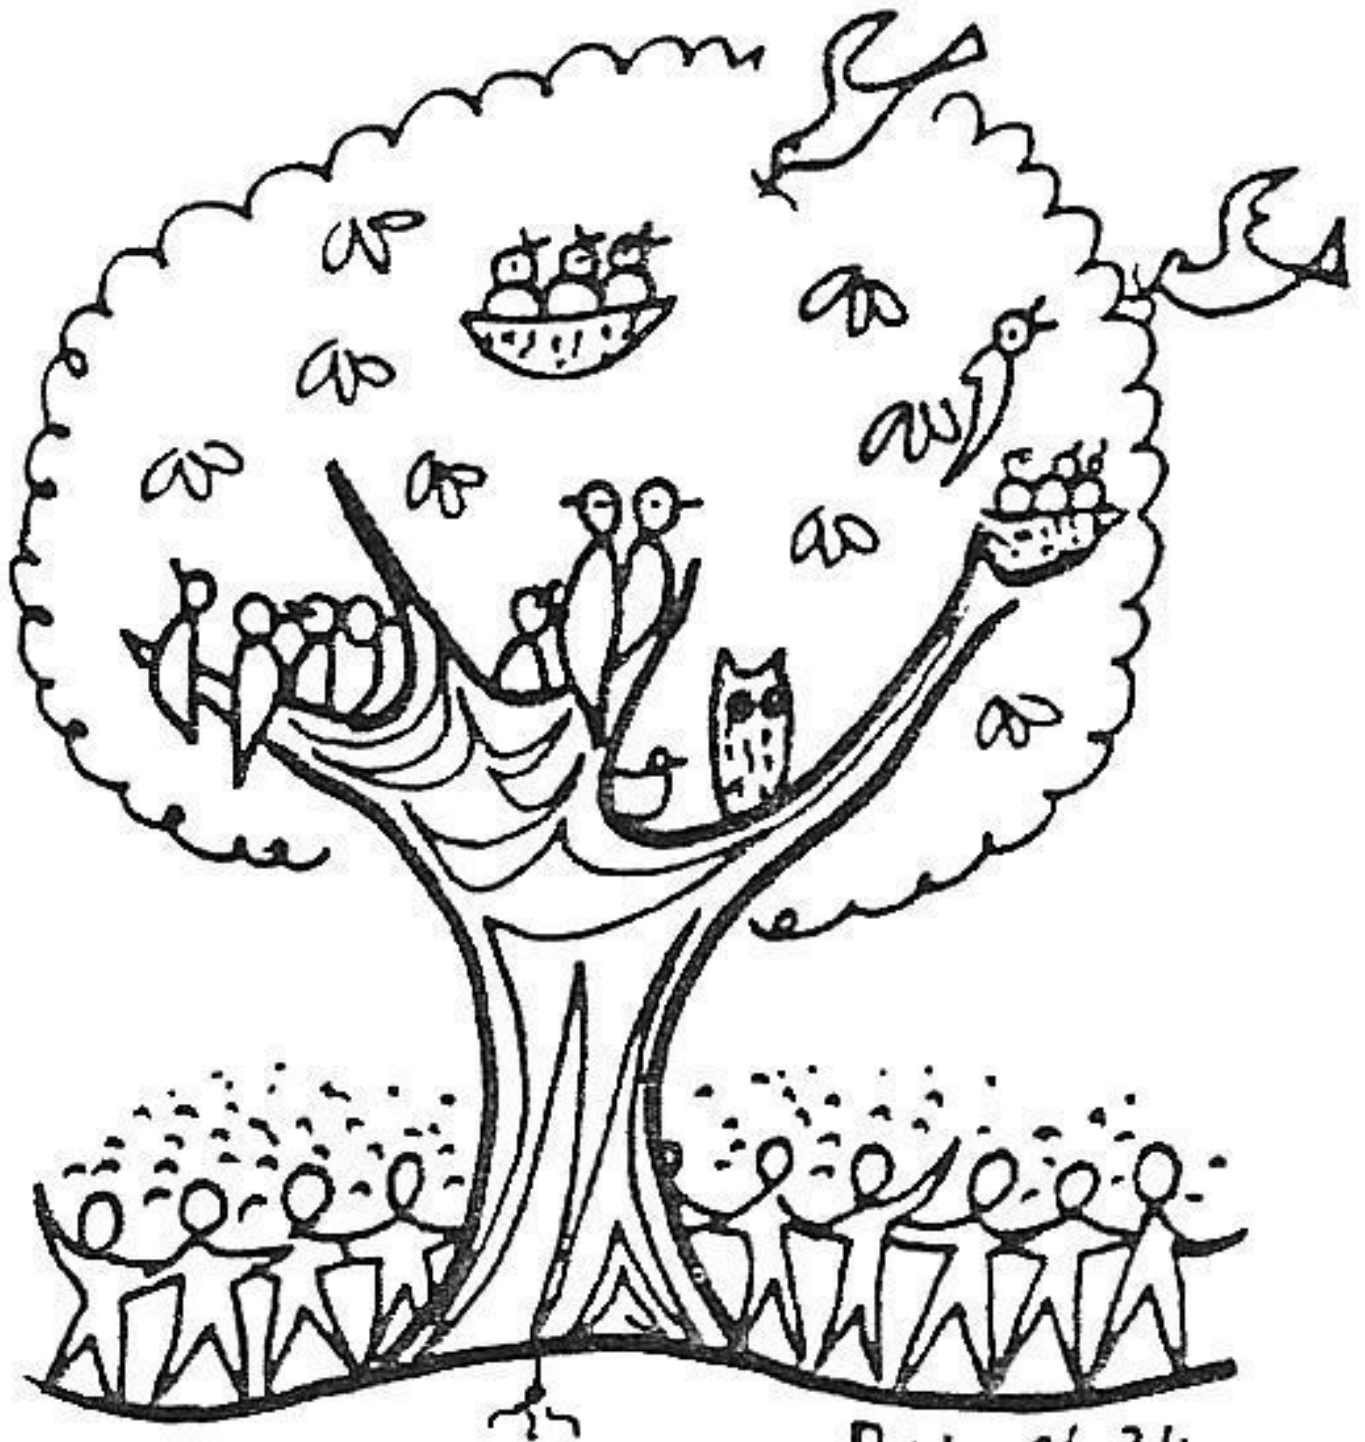

The Hidden Pearl Parable

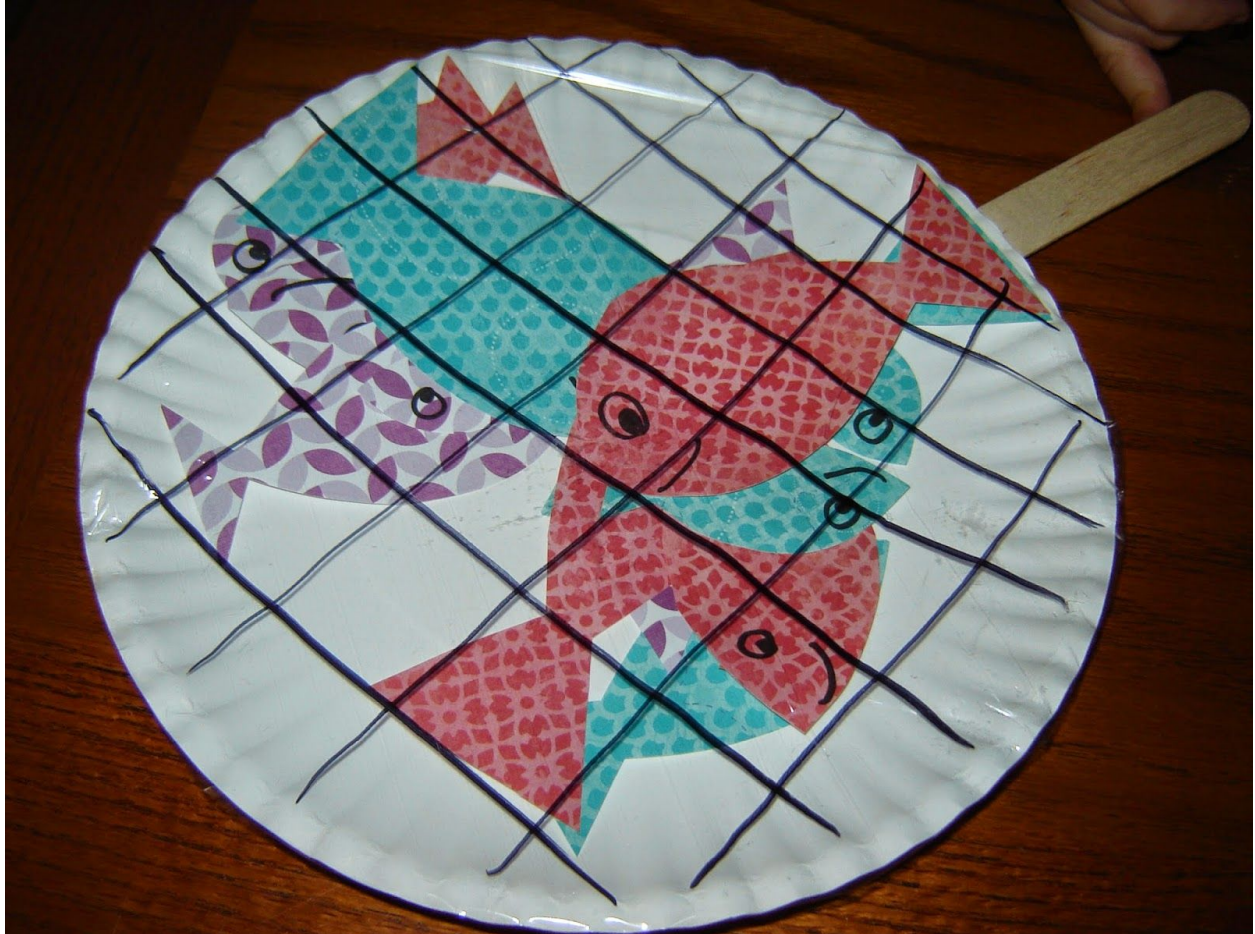

Paint one side of a paper plate pink. After it dries, paint the other side blue. When that dries, fold it in half and glue on a "pearl" (a cotton ball, smooth white stone, plastic bead...)

Parable of the Fishing Net

Cut out some fish from old wrapping paper or magazines. Glue them to a plate and either draw line to represent a net or glue yarn in a net pattern.
